

# **NOTICE**

Effective October 1, 2016, the Department of Planning & Zoning will begin providing **BUILDING INSPECTIONS**, '**in-house**'. Plumbing and HVACR inspections will *continue* to be performed by M.D.I.A. (Middle Department Inspection Agency). Electrical inspections will *continue* to be performed by M.D.I.A., Maryland Electrical Inspections and First State Inspection Agency.

Persons wishing to schedule **building inspections** should call the **Building Inspector** at the Department of Planning & Zoning/Permits, Inspections & Licensing (**410-228-9636**). For *same day* inspection, you must call prior to 8:30 a.m., Monday – Friday. Please be sure to have the permit number, owner's name, address of the property and type of inspection when calling for inspections.
